

5 YEAR GUARANTEE

5 YEAR POLYETHYLENE MUDGUARD REPLACEMENT GUARANTEE

DYNAPLAS guarantees the quality of the full range of polyethylene mudguards against cracking and fading for the entire 5 years. The guarantee does not cover normal wear and tear or damage caused by accident, unreasonable use or modification of the product. If the product cracks or fades, return it to Dynaplas and if proven defective, it will be replaced without charge.

10 GOOD REASONS WHY **DYNAGUARD** IS THE BEST

1. Legal width - Complies with Australian Heavy Vehicle Standards.
2. Flexible - Polyethylene mudguards will not shatter or crack when hit by trailer hitching or fork lift trucks.
3. Will not fade - Guaranteed.
4. Will not crack - Guaranteed.
5. Will save weight - The lightest quality mudguard system available.
6. No Ribs - To collect dirt. Smooth underside, easy to clean.
 - Will not retain heat.
 - Able to mount mudguard lower, more clearance during trailer hitching.
 - Standard width metal or plastic brackets can be fitted.
7. Best value for money - the most inexpensive high quality mudguard on the market.
8. Australian made by an Australian owned company.
9. Spray suppressant recess for easy fitting.
10. Over 130 different mudguard model/colour combinations to choose from.
